AgHeritage Farm Credit Services returns a record \$10.1 million in profit sharing through Patronage Program

AgHeritage Farm Credit Services will return \$10.1 million in profits to its customer-owners next month through its Patronage Program, the most since the program's inception.

The program returns a portion of the association's net earnings to eligible customer-owners each February.

"Since 2006, AgHeritage has returned more than \$86 million to eligible customer-owners through our Patronage Program," said Greg Cole, AgHeritage President and Chief Executive Officer. "Patronage dividends are a core aspect of our cooperative values, and we take great pride in offering this benefit to our customer-owners. Having a strong patronage program reinforces the vital role our cooperative plays in supporting the rural communities we serve."
